Company Profile

Sinochem Jiangsu Corporation (Sinochem Jiangsu) is one of the key subsidiaries of Sinochem Corporation (Sinochem), which is one of the largest companies in the "Fortune 500". It is mainly engaged in the import and export business of chemicals, pharmaceuticals and other items. It's commodities are being exported to more than 80 countries and regions in the world.

Sinochem Jiangsu is accredited with ISO9001:2000 certification. For many years, Sinochem Jiangsu has constantly emphasized that the core of its business is to maximize of customers' benefits. The corporation has achieved high reputation in the field of international trading by offering top quality and personalized services for our customers.

During the long-term development of Sinochem Jiangsu, the corporation has established the strategic alliance partnerships with both up- and down-stream customers all over the world. In the meantime, the corporation will speed up improvements in its operation and management functions. Supported by the Enterprise Resource Planning(ERP), the corporation has been optimizing its operation flow continuously. By setting up pharmaceuticals, fine chemicals, basic chemicals, imports and petrochemical divisions, Sinochem Jiangsu has opened the way for development of a series of products and for the specialized marketing. Sinochem Jiangsu is expecting to expand its commodities to the up-and-down stream and add the assay of technology to the commodities by its trade and industry driven by R&D.

Sinochem Jiangsu warmly welcomes customers both at home and abroad, so as to benefit both customers and itself and create glorious achievements.
